Brief job description [Maximum 5 lines @ 500 characters (including spaces) per line]:

The applicant must be able to teach a wide range of lower and upper division undergraduate mathematics and statistics courses. A normal teaching load is 12 credits per semester, and at least 8 office hours weekly is required. A strong commitment to undergraduate teaching, mentoring and research on campus, potential in scholarly work and grantsmanship is essential. Other duties include professional development, institutional, and community service.

Minimal qualifications [Maximum 4 lines @ 450 characters (including spaces) per line]:

Ph.D. in Pure or Applied Mathematics. Teaching experience preferred. Applicants should show evidence of outstanding research potential in an area that matches the interests of the department.

Remarks [Maximum 3 lines @ 300 characters (including spaces) per line]:

A Statement of Interest, three letters of recommendation, a curriculum vita, and official copy of undergraduate and graduate transcripts to be sent to the address below are required for a complete application.
