Temporary sidewalk installed

Floodwall around Bashful Building about 95% complete

Workers install light fixtures in Library

Shuttle stop signs installed around campus

Temporary sidewalk installed

To help students, faculty and staff avoid walking across muddy, soggy ground, University maintenance workers have installed a temporary sidewalk on the south side of the **Emmett Bashful Administration Building**. The temporary sidewalk will remain until the Bashful renovation project is complete.

Bashful floodwall almost complete

A worker puts final touches on the recently poured floodwall in front of the **Emmett Bashful Administration Building**. The floodwall is about 95 percent complete.

Light fixtures installed in Library

A worker hangs light fixtures inside the **Library Building**. Meanwhile, the third floor is ready for new flooring and a final coat of paint. Outside, bricklayers are topping off the back part of the building.

Shuttle stop signs installed

Shuttle stop signs have been installed at several locations around campus.
