Dear Students,

Please be advised:
All items are due by Friday, May 8, 2020, by noon (12 pm). However, if you are enrolled in summer school, please provide proof of enrollment to swilson@suno.edu by noon, Friday, May 8, 2020, and you will receive a new due date.

Access to the library is by appointment only. If you are not enrolled in summer school, please email swilson@suno.edu to confirm a date and time to return your course material. Click here for the library web link for return dates and times.

If your items are not returned by the due date, you will be reported to the Comptroller’s Office.

In addition to any fines you may have accrued for your OVERDUE item, you will also be billed for the FULL amount of the item you have failed to return.

The university reserves the right to restrict access when a student has an account balance. Therefore, you will not be able to:
· Check your grades
· Register for Classes, etc.

Please return all items on time and help yourself avoid the frustration and time spent clearing your account with the Comptroller’s Office and the SUNO Library.

Thank you.
ERIKA WITT
INTERIM CIRCULATION LIBRARIAN

We respect your right to privacy and abide by all HIPPA regulations. If you or a member of your family was diagnosed with the coronavirus while you had possession and use of these items and would like to receive information on additional resources or services, please contact swilson@suno.edu.
