WARNING: Residence Requirement

A student who expects to become a candidate for a degree at Southern University at New Orleans must (1) spend at least two semesters (or four summer sessions) at the University; (2) earn at least thirty-one semester hours of credit and sixty-two quality points in the courses pursued and (3) complete the senior year and at least 25% of the total credits required for graduation in residence as a major in the academic college/program from which degree is sought. (Work completed through credit examination or military experience may not be used to satisfy these requirements). In the case of a student transferring from another college/program within the University, with the concurrence of the student's former dean/department head, the requirements for residence in the academic college/program from which a degree is sought may be waived (see 2022-2024 SUNO Catalog, p.105)
