Message from the Vice Chancellor

I would like to take this opportunity to WELCOME you to Southern University at New Orleans (SUNO). The faculty, staff and administrators are elated that you have chosen Southern University at New Orleans to continue your education.

I am looking forward to working with you during this academic school year. A lot of exciting things are happening at SUNO. Our students remain among the very best in the country. The SUNO Lady Knights won the 2018 National Association of Intercollegiate Athletics (NAIA) Outdoor Track and Field Champion– they won the championship May 24-26, 2018 in Gulf Shores, Alabama. The team consists of eight Lady Knights. The team's coach, Younne Reid was named the Southern Region Coach of the Year for the NAIA 2018 Indoor Track and Field Season. Go Lady Knights!

Your main goal for coming here is to earn a degree; but we also want you to take advantage of the many extracurricular activities we offer. We have over thirty-five clubs and organizations on campus. Take your time and explore them to see what might be of interest to you. We also have in addition to track, men and women's basketball and volleyball.

TRADITION

ALMA MATER

Dear Southern

O Southern, Dear Southern, Thy praises we shall sing

Until all the heavens and echoes loudly ring.

The winds of the sky as they pass us by

Will adoration bring.

O Southern, Dear Southern, we owe our all to Thee

In downfall or victory, we'll always loyal be.

Thy Sons and Daughters as they work

Will be inspired by Thee.

O Southern, Dear Southern, Thy name will ever be

As mighty as the river that flows on to the sea.

As pure and true as the Gold and Blue,

That stand out bold for Thee.

Overview of SUNO Athletics

Intercollegiate athletic competition has been a source of pride for Southern University at New Orleans (SUNO) through most of its more than 60-year history.

Over the years, SUNO has produced legendary coaches and hundreds of athletes who have excelled on the field and in the classroom. When the University was founded, athletics was not a part of the school's mission, but through the efforts of SUNO's Hall of Fame Coach and Athletic Director, Dr. Artis Davenport, the University established itself as one of the most successful small school athletic programs in the nation.

The SUNO Knights and Lady Knights have a legacy of building champions, having produced 7 National Championship teams, 12 conference championship squads, nearly 200 All-Americans and 6 Olympians.

Athletics has been a way for the SUNO community to come together over the years, building school spirit and helping to attract students from around the world to the University.

HISTORY

The Beginning

Southern University at New Orleans (SUNO) was founded as a branch unit of Southern University and Agricultural and Mechanical College (Southern University) in Baton Rouge by Act 28 of the Extraordinary Session of the Louisiana Legislature of September 4, 1956. On September 21, 1959, SUNO opened its doors on a 17-acre site located in historic Pontchartrain Park, a subdivision of primarily African American single family residences in eastern New Orleans.

Established as an open community of learners, classes began with 158 freshmen, one building and a motivated faculty of fifteen. The University offered ten courses in four academic disciplines, including Humanities, Science, Social Science and Commerce.

Expansion and Change

Over the years, several events have affected the direction of SUNO. One occurred on November 8, 1960. On that day, the Louisiana Legislature adopted Amendment 26. This act prescribed that SUNO should remain an extension of Southern University, thereby precluding any impending status of autonomy for SUNO.

In January 1964, Virginia Cox Welch, a white high school teacher, filed a lawsuit in federal court against the Louisiana State Board of Education. The litigation, Civil Action No. 14217, affirmed SUNO as an equal opportunity University

to all individuals regardless of race or color. In 1975, by virtue of Article 8, Section 7 of the Louisiana Constitution of 1974, management of SUNO was transferred from the Louisiana State Board of Education to the newly-created Board of Supervisors of Southern University System. The new constitution also designated SUNO as a campus of the Southern University System creating parity with the other Southern campuses. To this date, the Southern University System is the only HBCU university system in the world.

Post-Hurricane Katrina

On the heels of the 2005 tragedies of Hurricanes Katrina and Rita, all eleven SUNO buildings were inundated with water. With a pre-Katrina enrollment that exceeded 3,600 students, almost half of those students returned home to continue their education at SUNO on the Lake Campus (then known as the North Campus) at 6801 Press Drive in buildings provided by the Federal Emergency Management Agency. Having operated on the sister campus in Baton Rouge during the Fall 2005 semester, SUNO returned to New Orleans on February 14, 2006.

Despite projections that SUNO would welcome only between 1,200 and 1,500 students, more than 2,100 returned home to continue their studies. With

enrollment climbing faster than any other Louisiana four-year institution, SUNO not only began its move back to 6400 Press Drive, but the University also experienced unprecedented growth.

Despite the loss of a handful of academic programs, Public Administration, Child Development and Family Studies, Alternate Teacher Certifications, Business Entrepreneurship and Health Information Management Systems were added, displaying a solid commitment to a rebuilding of the New Orleans area.

The University also entered into a collaborative 2+2 agreement with Delgado Community College so its graduates would experience a seamless transition to the four-year college level in select academic programs.

The University returned to the Park Campus in the winter of 2008, as development began on the Lake Campus. SUNO broke ground for its first-ever student housing facility which opened its doors to students and faculty in January of 2010.

In Fall 2010, the University opened its Information Technology Center, as the enrollment topped 3,100 students for the first time since Katrina.

In the spring of 2010, the University broke ground for its College of Business and Public Administration building, which opened its doors in Fall 2011 when more than 3,300 students filled SUNO's classrooms.

Since Hurricane Katrina, SUNO has not excelled without external challenges. In January of 2011, Governor Bobby Jindal announced plans to merge the University with neighboring University of New Orleans (UNO). The plan, which was drafted as legislation, failed during the 2011 Louisiana Legislative Session. At the legislature's urging, SUNO has begun plans to enhance its collaborative relationships with UNO and Delgado.

Southern University at New Orleans (SUNO) collaborates with Southern University at Shreveport (SUSLA) to offer courses required for a seamless transition to SUNO.

The Knights

Almost a decade into SUNO's existence without an athletic program, Dr. Artis Davenport II successfully campaigned for the creation of an intercollegiate sports program. Initially, the teams were known as the Black Knights and the school's official colors were black and red. In the mid-1980's, the mascot simply became known as the Knights and the University's colors changed to Columbia Blue and Sunset Gold.

Homecoming

Homecoming is a special event where students, alumni, and members of the SUNO community come back to the campus. Homecoming takes place each Fall, and the week long celebration highlights include: On-campus Activities, the Coronation of Miss SUNO and Presentation of the Royal Court.

Miss SUNO

The election of Miss SUNO is one of the most special events at the University. A long standing tradition, Miss SUNO is a representative of the pride and spirit of the student body. Miss SUNO is presented annually at the Coronation that is held during Homecoming Week. She also represents the University at a number of events throughout the year.

The Castle

SUNO's gymnasium is the home of SUNO's Men's and Women's Basketball and Volleyball teams, "The Castle" is where the Knights compete in the Gulf Coast Athletic Conference. A number of other University events are held in "The Castle" throughout the year.

- To learn independently;
- To recognize and appreciate cultural diversity;
- To understand the nature and value of the fine and performing arts;

- To understand the American political and economic system.

Through the core curriculum, students at Southern University at New Orleans are introduced to the principal branches of learning, among which are English, natural sciences, humanities, social sciences, and fine arts.

This core is especially vital in providing students with knowledge of, and practice in skills essential to successful academic performance.

Baccalaureate Degrees

The University's core curriculum requires that each baccalaureate curriculum includes the following*:

1. **English Composition** - 6 hours: 2 Courses
 2. **Mathematics/Analytical Reasoning** - 6 hours: 2 Courses
 3. **Natural Sciences** - 9 hours: 3 Courses: 2 courses in a biological/physical science area sequence + 1 in the other area
 4. **Humanities** - 9 hours: 3 courses; 1 in Literature
 5. **Social Sciences** - 6 hours: 2 Courses; 1 greater than or equal to sophomore level
 6. **Fine Arts** - 3 hours: 1 Course
- * **Developmental Courses do *not* qualify for General Education or degree credit.**

Release of Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

They are: **1)** The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar written requests that identify the record(s) they wish to inspect.

The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained in the University Registrar's Office, the registrar will advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading: students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests.

A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff), a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Supervisors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official committee in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon the student's request, the University discloses education records to officials of another school (registrar to registrar) to which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by a state university to comply with the requirements of FERPA.

COURSE PROGRESS/ NUMBERING AND SEQUENCING OF COURSES

Courses taken to satisfy General Education Requirements (GER) should be taken as early as possible (freshman and sophomore years). Since these courses generally are not sequenced courses, they can be taken throughout matriculation, providing opportunity for students to take these classes along with those within their major or minor courses of study.

001-099 Non-degree Credit Courses Offered by the University to permit students to make up deficiencies in previous training or to improve their facility in certain basic skills and not for degree credit.

100-199 For undergraduate students, primarily freshman level; ordinarily open to all students; often the basic and/or introductory courses in

academic programs.

200-299 For undergraduate students, sophomore level or above.

300-399 For advanced undergraduate students, junior, and senior level.

400-499 For advanced undergraduate students who have completed a minimum of 60 semester hours.

500-799 For students in graduate programs and for graduate credit only except where permission is granted to undergraduates who are making timely progress toward a degree.

GRADES AND GRADING

System of Grading

The University uses a letter system of grading: A = Excellent; B = Above average; C = Average; D = Barely passing; F = Failure; FX = Failure Due to Excessive Absenteeism; AU = Audit; I = Incomplete; W = Withdrawal; P = Pass, and a NC = No credit.

Credit for any course in which a student has received a grade of F may be obtained only by repeating the course.

Grade Point Average (GPA)

The grades of A, B, C, D, and F are included in the computation of the semester grade point average. Grades of AU, P, I, W, and NC are excluded. The semester grade point average is the total number of quality points (numerical values assigned to each letter grade as the final grade in a course) earned, divided by the total number of semester credit hours carried by the student.

The cumulative grade point average is calculated by dividing the total number of quality points earned by the total number of hours, **excluding I's, W's, P's, NC's and repeated**

courses. For determining eligibility for holding offices in the Student Government Association or graduating with honors, a student's cumulative average is computed by dividing the total quality points earned by the total semester hours attempted, exclusive of courses with grades of AU, P, W, and NC.
Pass-Fail

A few courses are graded pass-fail for all students. The grade of **P** will be given for work of passing quality and the grade of **F** will be given for work below passing quality. Courses passed with the grade of **P** may be offered for degree credit, but the grade will not be considered in computing the grade-point average. An **F** in a pass-fail course will be treated as any other **F**, both with regard to credit earned and to grade-point average calculation.

Transcripts

Each semester and/or summer term grade report is the basis for the student's transcript. Final grades of each semester/term are officially recorded and filed in the Registrar's Office. Students may obtain certified copies of their academic records from the Records Office upon written request. Transcripts requested for academic advisement are available without cost. Official transcripts are issued for the purpose of transferring credits to other colleges, universities, certifying agencies, etc.

The first official copy is furnished without cost. A written request, along with a receipt for the payment of the \$10.00 fee must be submitted for each additional transcript.

Official transcripts cannot be released until all indebtedness to the University is paid in full.

REGISTRATION

All continuing, transfer, and re-entry students are expected to present themselves for registration in accordance with the plans of registration established for the current year and listed in the University Calendar at the beginning of the University Catalog.

Students are referred to the chairs of departments and other faculty members for assistance in preparing their schedules. It is the responsibility of each student to study his or her curriculum carefully and register each semester according to requirements.

Continuing and upper-class transfer students are expected to participate in Pre-Advisement/Registration for the succeeding semester. Upper-class transfer students must have a completed application for admission on file in order to participate in Pre-Advisement/Registration.

No student will be registered until he or she has paid fees as assessed by the Comptroller's Office. No student will be permitted to remain in any class unless his or her name is shown on the instructor's roster or unless the instructor has received evidence of proper registration from the Registrar's Office. Registration after the final date provided in the University calendar requires special permission from the Vice Chancellor for Academic Affairs. A student, with the appropriate approval, may add courses for credit, make section changes, or drop courses within the period provided in the University calendar.

Changes in Registration/Student Schedule Adjustment

Students may add or drop courses or change from one section of a course to another with the proper approval as indicated in the semester calendar.

All such changes must be filed in the Registrar's Office according to the dates as indicated in the academic calendar. A student will be held responsible for all courses appearing on the schedule unless changes have been made in accordance with the regulations. A student may not add courses for credit after the deadline stated in the academic calendar. Forms to facilitate changes in registration and/or adjustments in the student's schedule are available in the Registrar's Office.

Courses dropped by the 14th day (7th day for Summer) of instruction will not be included in the student's registration. If a course is dropped after the 14th day (7th day for Summer) of instruction, a **W** (withdrawn) is recorded.

If a student drops all courses, the student must withdraw/resign from the University, following the designated procedures. Students may not drop a course by simply staying out of a class. Students are expected to obtain the signature of the instructor, advisor, department head and the registrar. Students are strongly urged to check schedule invoices and mid-term grade reports carefully and submit requests to the Office of the Registrar to clear from the record courses or grades that appear in error.

No student will be permitted a change in course of study or academic major after registering for that particular semester or summer session. When a student makes any change in status, classification, curriculum, division, etc., a Change of Program Form, obtainable from departmental offices, must be completed. The change will become effective the next semester or summer session in which the student

is in attendance. A student is not officially dropped from a course until proper forms have been filed with the Registrar's Office.

Cross Enrollment

An inter-institutional program exists between SUNO and the following institutions: University of New Orleans, Southern University at Baton Rouge, Southeastern Louisiana University, Delgado Community College, Nunez Community College, and River Parishes Community College. This program enables a student registered full-time at SUNO to enroll in courses at these colleges/universities provided the courses are not being offered at SUNO that semester. In addition, the Vice Chancellor for Academic Affairs must give written approval for cross enrollment.

Students currently enrolled may not exceed eighteen semester hours during the regular semester and nine hours during the Summer Session. **Summer only and transients may not cross-enroll.**

CLASS ATTENDANCE REGULATIONS

Class attendance is regarded as an obligation as well as a privilege. All students are expected to attend, regularly and punctually, all classes in which they are enrolled.

Failure to do so may seriously jeopardize a student's academic standing.

Implicit in these regulations is the notion that students must assume primary responsibility for informing instructors of reasons for absences.

Each instructor will check the roll at each meeting and shall keep a permanent attendance record for each class. These records are subject to inspection by the appropriate Dean, College or University officials.

Students who arrive to class 15 or more minutes late will be marked tardy. Three tardies may be recorded as an absence. It is up to the discretion of the instructor.

Faculty members are required to state in writing and explain to their students, at the beginning of each semester, their expectations regarding both attendance and make-up work.

Each instructor shall report to the CARES department all cases of absences from class which, in the opinion of the instructor, jeopardizes the student's chances of satisfactorily completing the course.

A student required to be absent from class because of illness or other unavoidable cause should promptly report the reason(s) to the instructor and, when required, present excuses. If the student has prior knowledge that he or she will miss certain classes, notification should be submitted to these instructors in advance of the absences.

Instructors should make clear that excuses explain absences, but do not remove them.

Extended absences due to illness or other circumstances beyond the student's control should be reported to the Vice Chancellor for Student Affairs and Enrollment Management.

Instructors will be notified of the circumstances surrounding the absence.

Excuses for participation in University-sponsored activities will be initiated by the sponsoring unit and approved by the College Dean and the Office of Academic Affairs.

Absences from a class which the student plans to drop carry the same penalty as any other absence. **A student does not withdraw from a class by failing to attend.** Students are responsible for all class work missed, regardless of the reasons for the absence. Immediately upon the student's return to class, a conference should be arranged with the instructor to determine what action, on the student's part, is necessary to compensate for time lost and the material missed due to the absence. When a student receives a total of four unexcused absences in a given class, the student may be given the grade of FX at the instructor's discretion. Since it is the student's responsibility to be aware of his or her attendance at all times, failure to receive a notice of unexcused absences does not alter his or her status. Any student penalized for being absent in excessive number of times may appeal to the Vice Chancellor for Student Affairs and Enrollment Management.

WITHDRAWAL/RESIGNATION FROM UNIVERSITY

When a student leaves the University at any time during a semester or a summer session without completing a withdrawal card and without clearing University accounts, the student will receive an F grade in all courses. Further, the right to a statement of honorable dismissal will be forfeited, thereby jeopardizing re-entry to the University or transfer to another accredited institution.

Refund of Fees

Refunds are issued to students who have officially withdrawn from the University. The withdrawal date is determined by the Office of the Registrar only.

Two different refund methods are used: (1) Southern University at

New Orleans Institutional Refund Policy and (2) Federal Government Refund Policy.

Tuition and some fees are credited to the student's account as follows:

Date of withdrawal:	SUNO Refund*
Before classes begin	90%
First day of class through the seventh day of class	75%
Eight day of class through the twelfth day of class	50%
After the twelfth day of class	0%

***Non-Title IV Funds**

For those students who registered at the University with the assistance of Federal Financial Aid, regulations established by the government will be used to calculate refunds.

E-mail Addresses/Blackboard Accounts

SUNO's e-mail addresses and blackboard accounts are automatically generated for all registered students. To create a username and password for Southern University at New Orleans (SUNO) E-mail and Blackboard accounts, students are to use the first letter of their first name, the first three letters of their last name, and their birthday month and date.

Example: John Doe would be: jdoe0109. As shown in the example, a zero must be used if the birthday month and/or date is a single number. The student's initial password is the last four numbers of his or her social security number. All students are encouraged to read the student manual, update their personal information/e-mail address and change their

password, which is located under "Tools" or "Personal Info".

For additional details, students may visit the Southern University at New Orleans web site at: www.suno.edu.

Students are strongly urged to check their SUNO e-mail accounts daily for up-dates, scholarship information, library passwords, university closures and event announcements, etc.

Summary of Computing Rights and Responsibilities

The policy applies to all computer and computer communication facilities owned, leased, operated, or contracted by the University. This includes, but is not limited to, word processing equipment, microcomputers, minicomputers, mainframes, computer networks, computer peripherals, and software, whether used for administration, research, teaching, or other purposes. The policy extends to any use of University facilities to access computers elsewhere.

Basic Principles

The University's computing resources are for instructional and research use by the students, faculty, and staff of Southern University at New Orleans. Ethical standards that apply to other University activities (Honor and Ethics System, the Social Regulations and Policies, and all local, state, and federal laws), apply equally to use of campus computing facilities. As in all aspects of University life, users of computing facilities should act honorably and in a manner consistent with ordinary ethical obligations. Cheating, stealing, making false or deceiving statements, plagiarism, vandalism, and harassment are just as wrong in the

context of computing systems as they are in all other domains. Use of campus facilities is restricted to authorized users.

An “authorized user” is an individual who has been assigned a login ID and password by Information Technology staff (on any relevant system), or by an authorized agent. Individual users are responsible for the proper use of their accounts, including the protection of their login IDs and passwords.

Users are also responsible for reporting any activities that they believe to be in violation of this policy, just as students are responsible for reporting Honor and Ethics System violations.

Individuals should use these facilities:

- in a manner consistent with the terms under which they were granted access to them;
- in a way that respects the rights and privacy of other users;
- so as not to interfere with or violate the normal, appropriate use of these facilities;
- and in a responsible and efficient manner.

Abusive activities which are already covered under other University policies are to be handled in the same way, and by the same authorities, as if a computer had not been involved, following established guidelines.

Library Services

The Leonard S. Washington Memorial Library is located in the center of the Main Campus. It houses an abbreviated print collection administered for curricular, reference, research and recreational interests of students, faculty, staff and the community. The book collection is organized according to the Library of Congress Classification System. An open-stack arrangement makes the collection readily accessible to library patrons. Students also have access to several thousand E-books and electronic journals that may be accessed via the internet from any computer device. In addition to books and journals the library provides laptops, projectors and other items for checkout.

Call: 286-5225 or 286-5227 when you need assistance. A valid SUNO ID or LALINC card along with a valid State ID plus paid fee receipt is **required** to establish a library account, use study rooms and check out resources.

Library accounts should be updated during registration each semester. Books may be borrowed from the general collection for a three-week period, unless the book is in demand or has been placed on hold.

Books may be renewed if there are no holds or recalls placed on the item. All books are to be returned to the Circulation Desk.

Online Catalog

The library Catalog (e-Library) is a part of a statewide computer network linking Louisiana public state-supported university libraries. This statewide network is called the Louisiana Library Network (LOUIS). The e-library portal is accessible via the internet 24 hours a day.

In addition to the catalog, students and faculty have access to multiple online databases of full-text periodicals and over 9,000 electronic books (E-Books).

General Collection

Borrowing Policy: Books are loaned from the open stacks for a three-week (21- day) period. All faculty, staff, currently enrolled SUNO students, active alumni, and others with special borrower's cards are eligible to withdraw (check-out) books from the collection. In general, only ten (10) books for undergraduate students and fifteen (15) for graduate students (from any one subject area) may be withdrawn at a given time. However, with special permission, more may be withdrawn at a given time.

Returning Books

All 21-day books are to be returned to the main circulation desk, when the library is open.

Overdue Books

A book is considered overdue the first day after the date indicated on the date due slip. The date due slip in the back of each book is the official notice of the date a book must be returned.

Notices are periodically e-mailed for overdue books. These notices are sent as a courtesy. Failure to issue or receive a notice does not constitute a basis for altering the fine.

Lost Books

As soon as a borrower recognizes that a withdrawn book is lost, it should be reported to the Circulation Librarian. The borrower is required to pay the full cost of a lost book. If the book is located within 60 days, the cost of the book will be refunded if requested in writing, but not the overdue fine assessed. (The fine stops accumulating as soon as the book is reported lost, but not until then).

Receipts for payments are issued and should be kept by the borrower, as the library will not be held liable for refunds without receipts.

Fine (s)

The fine on an overdue 21-day book is \$.25 per day for each book. The fine for an overdue reserve book is \$1.00 per hour. Materials charged to a borrower are his or her responsibility until returned to the Library. If a borrower owes a fine or has a lost library book, the borrower's library privileges are suspended until the account is settled. Fines are reported to the Comptroller's

office at the end of a semester and may interrupt your registration for the following semester and/or ability to participate in graduation. For the individual who graduates without settling an account, requests for transcripts will not be honored.

Library Instruction

We are available to provide, individual, group or course instruction on the use of the library catalog, databases, and research strategies. Please see a librarian to make a reservation.

Reference Collection

Reference books are not to be taken from the building. These materials are not intended to be read from cover to cover as one reads a novel, but are to be consulted for various items of information. The Department serves as a ready reference information center. Sources housed in the area are designed to simplify facts, statistics, biographical and background information relevant to in-depth study. The Reference Department is recommended as the initial point to begin a search for brief and/or extensive information on a subject. Reference books are shelved in the open stacks area with the circulating collection. The Reference Librarian is available to assist patrons with the location and interpretation of materials in the reference collection. When the Reference Librarian is unavailable, questions should be directed to the librarian on duty. You should ask for assistance at the circulation desk.

Reserve Collection

The Reserve Collection consists of books and non-book materials placed on reserve by faculty members for use by students completing class assignments and recommended readings. Reserve items are to be used within the Library for limited time limits so that all students will have an opportunity to use them. Reserve items may be requested at the circulation desk.

RESERVE MATERIALS ARE NOT TO BE TAKEN FROM THE LIBRARY

Government Documents

The Library is a partial depository for federal, state and local government documents. These materials consist of posters, maps, books, leaflets and computer disks. The documents in our collection are shelved according to the Superintendent of Documents Classification System, which groups all publications of a particular agency under the same base number.

There is a similar system for Louisiana documents. City of New Orleans documents are not classified by a depository arrangement. The Library's holdings of university documents are not as comprehensive, and they are not assigned class numbers.

The Documents Librarian will instruct individuals in the use of these indexes and other document reference indexes upon request.

Interlibrary Loan

Interlibrary loan is the service in which the university library borrows items that you cannot find in the catalog or databases from other libraries. In some cases there is a cost associated with borrowing the item. We will make every attempt to absorb the cost when possible. If the requested item falls within the parameters of our collection development policy we will purchase this item for inclusion in the library collection. Interlibrary loan is available for faculty and graduate students.

Exit Control

Because the collection is arranged on open shelves, it is necessary to examine each book leaving the Library. Therefore, as you leave the library, please present the book (s) to the person stationed at the exit; otherwise, an alarm will sound.

Closing

Because of the details associated with closing the Library at the end of the day, all patrons are to leave the building five minutes before closing.

If a patron wishes to checkout a book before closing time he or she should go to the circulation desk at least fifteen (15) minutes before the Library is scheduled to close.

Print/Copy Machines

Black and White Print/Copies are \$.10 per copy. You will need your SUNO ID card to print or copy.

Library Decorum and User Responsibility

Quiet is preferred in the library at all times. We do not promote filtering of internet content. However, in the instance where the content you are looking at is deemed inappropriate you will be asked to exit that website. Anyone failing to cooperate in maintaining good library decorum will be asked to leave. Proper attire is required at all times in the library.

If a student reduces his or her course load by dropping one or more courses, in the Fall or Spring, before the 14th day of class, and in the Summer, before the 7th day of class, tuition and fees are reduced by 100% of the difference.

Withdrawal from the University

When a student finds it necessary to discontinue enrollment prior to the end of the semester or summer term, the student must complete a withdrawal card, obtainable from the Registrar's Office or the Center for Student Retention and Success Counselor. The student must provide a valid reason for resigning and must make arrangements with the Comptroller's Office to clear any outstanding balance. Once the withdrawal card has been completed and signed, it must be submitted to the Registrar's Office.

The process is not officially complete until the withdrawal card is returned to the Registrar's Office.

When a student leaves the University at any time during a semester or summer session without completing a withdrawal card, the student will receive a grade of "FX" in all courses. An FX indicates that a student has unofficially ceased enrollment and as a result, has failed the course/courses registered for due to a lack of attendance.

Refunds Due to Withdrawals

Tuition and some fees are credited to the student's account based on the date of withdrawal and the percentage of the semester completed (i.e. 90%, 75%, & 50%).

Provided that tuition and fees have been paid in full, refunds are issued to students who have withdrawn from the University. Refunds are determined by the following policies:

- (1) Southern University at New Orleans Institutional Refund Policy. When a cash paying student chooses to officially withdraw or stops attending classes, the withdrawal date is the date the completed form is submitted to the Registrar's Office.
- (2) Federal Government Refund Policy. When a Title IV recipient chooses to officially withdraw or stops attending classes, the University is required, by Federal Law, to perform a recalculation of tuition and fees. This may result in indebtedness to the University or to the Title IV program. The withdrawal date, according to the Department of Education, is the date the student initiated the process.

NON-REFUNDABLE FEES

Application fee, students insurance, athletic, parking, student union, breakage, technology, late registration, student identification, year-book, and café cash are all non-refundable fees.

The Strengthening Historically Black Colleges and Universities (HBCUs) program was authorized under the Higher Education Act of 1965 and has played a major role at Southern University at New Orleans (SUNO) as well as all of the other historically black colleges and universities.

The formula grant program, commonly known as the Title III Program, is designed to assist in improving university programs, fortifying management and enhancing educational opportunities for all students. While Title III funds help to “equalize educational opportunities” at HBCUs, the ultimate goal of Title III is to decrease dependence on governmental financial support and increase reliance on endowments and private funding sources.

SUNO has been a recipient of Title III funds since 1967 and has received vital financial assistance to establish and strengthen the University’s academic services, student development efforts, faculty development enhancements, information technology initiatives, physical plant improvements and financial management support. Hence Title III funds have allowed us to more effectively fulfill the goal of equality

of educational opportunities for our students.

SUNO was awarded \$3.4 million for fiscal year 2015-2016 to develop, expand and/or implement the following subprograms:

- Accreditation and Review of Academic Programs
- Accreditation Reaffirmation of the Undergraduate Social Work Program
- Alternative Teacher Certification
- Center for African and African American Studies
- Center for Planning, Research and Evaluation (Institutional Effectiveness)
- Center for Professional Development and Enhancement
- Center for Student Retention and Success
- Enhancement for Improving Academic Quality through E-Learning and Service Learning (General Studies)
- Honors Program
- Improving University Technology (Banner)
- Library Academic Research Infrastructure Design
- Satellite Telecommunications Network/Distance Learning
- Strengthening Institutional Research Capabilities
- Student Development Center

In addition to the administration of Title III Programs at SUNO, the following departments report directly to the Vice Chancellor for Strategic Grants and Sponsored Programs and Center for Planning: Institutional Research and Effectiveness and Strategic Planning, Grants and Sponsored Programs, Quality Enhancement Planning, Learning Outcomes Assessment and Testing, and Accreditations Support.

Aramark acquired the contract for Southern University at New Orleans in January of 2014 and utilizes a separate facility known as the SUNO Knights' Cafeteria. The company then spent the entire year observing the production, the flow of customers and understanding what services would benefit the campus. After collecting enough data, the company evolved an efficient design for the University.

On a yearly basis Aramark conducts Dining Style Surveys. Dining surveys collect statistically significant data from students, staff and faculty in an effort to better understand the wants and needs of those on campus.

At each registration, students receive a card that can be scanned that will take them directly to a site where they can give immediate feedback on their experience. These programs, combined with the dining's daily involvement with those in the facilities, gives the company the ability to receive constant feedback to help better serve the customers.

The following contingencies apply:

1. Federal and University guidelines require that all **first-time borrowers** complete **Entrance Loan Counseling** prior to receiving student loan proceeds. Loan funds will be disbursed, 30 days after the first day of class for all first time borrowers.
2. Federal regulations require that **Exit Loan Counseling** be completed by student loan borrowers who cease to enroll at least half-time, withdraw (officially or unofficially), or graduate. Counseling should occur prior to the before mentioned action, where applicable.
3. Student loan funds are generally issued in **two** even disbursements during the intended loan period (once at the beginning and again at the mid-point of the enrollment period).

Student loan borrowers must be enrolled at least half-time at the time of disbursement.

Satisfactory Academic Progress (SAP) Policy for Financial Aid Eligibility

Southern University at New Orleans (SUNO) has adopted the following policy for the purpose of monitoring the academic progress of students receiving federal financial assistance. Those students receiving assistance through University or outside scholarship, stipend, and tuition waiver/exemption programs must meet the criteria established by the awarding entity. Satisfactory academic progress is measured quantitatively and qualitatively and is defined as passing a required number of hours pursued with a required grade point average. Satisfactory academic progress is required of all financial aid recipients at SUNO, including those students who have not participated in federal aid programs in the past.

Evaluation Period

Satisfactory academic progress (SAP) is evaluated at the **end of each spring semester** for all students. At the end of each fall semester, SAP will be evaluated only for students who are on financial aid probation and/or have exceeded the maximum number of attempted hours allowed. At the end of each summer session, SAP will be assessed for students enrolled in summer school who have exceeded the maximum number of attempted hours allowed. Students failing to meet the required earned hours and cumulative grade point average at the time SAP is assessed will lose their financial aid eligibility for the subsequent academic year that they are enrolled at the University.

Maximum Pursued Hours and Pace Completion Requirement

Pursued hours are all hours appearing on the transcript which may include “W,” “P,” “S,” “U,” “NC,” FX, and “I” grades. Remedial, repeated, transfer, suspended, and scholastic amnesty hours are also counted as pursued hours. Transfer credits earned at other institutions which are not applicable to an academic program at SUNO will not be included in the assessment of SAP.

Undergraduate Students

Students who are enrolled in an eligible 4-year undergraduate curriculum must earn the required hours pursued/earned ratio and GPA. An undergraduate student may receive Federal Financial for a maximum of 150% of the total hours required by his/her degree program. Students may receive financial aid for a maximum of 180 pursued hours, which include hours pursued for double majors. Students who are enrolled in an eligible associate degree curriculum must earn the required pursued/earned hour's ratio and 2.0 GPA. These students may receive financial aid for a maximum of 90 pursued hours.

Re-Admit Students

Re-admitted students are evaluated at the point of entry/re-entry and again at the end of the spring semester and summer session. Students failing to meet the required earned hours and cumulative grade point average at the time they ceased enrollment at SUNO will have the same status when he or she returns unless they are transferring from another university.

Transfer Students

Transfer students are evaluated at the point of entry and students who do not meet SUNO's satisfactory academic progress requirements must file a financial aid appeal in order to be considered for financial aid. All transcripts from colleges/universities previously attended **must be received and evaluated** by the Office of Admissions or the Office of Records to determine satisfactory academic progress before financial aid is awarded. SAP is assessed and the student will have the opportunity to submit a financial aid appeal.

Post-baccalaureate Students

Students holding a 4-year college degree and who are pursuing a second undergraduate degree must earn 67% of the total hours pursued and maintain a cumulative GPA of 2.5. These students may receive Federal Direct Loans and Work Study or a maximum of 60 pursued hours, which may also include hours from the degree already earned.

Graduate Students

A graduate student enrolled in an eligible curriculum is required to maintain a cumulative grade point average of 3.0 and earn a minimum of seventy-five percent (75%) of the semester hours pursued. A graduate student may receive Federal Direct Loans and Work Study for a maximum of 150% of the total hours required by his/her degree program.

2nd Masters- A graduate student working on his/her 2nd Master degree will be allowed federal financial up to 58 additional graduate level classes. This does not indicate the student will have an increased Federal loan limit if he or she have borrowed the maximum loans.

Financial Aid Appeal Procedures

Students who are denied financial aid based on unsatisfactory academic progress may appeal in the case of death or serious illness of an immediate family member, serious illness or injury to the student or to a dependent child, other traumatic life-altering events, or other special circumstances that the student would like the committee to consider, i.e., change of degree program, change of grades, academic amnesty, etc.

To file an appeal, students must complete and submit the Financial Aid Appeal Petition Form which can be obtained in the Office of Administration and Finance. Students must also include a letter to the Financial Aid Appeals Committee stating the reason(s) that they did not achieve satisfactory academic progress, a copy of an updated transcript, and supporting documentation. The Financial Aid Appeals Committee, which is appointed by the Chancellor, will review and consider all appeals. Effort will be made to notify students of the Committee's decision within two weeks after submission.

However, students should be prepared to pay tuition and fees by the payment deadline, and be reimbursed if the appeal is approved and if they meet all eligibility requirements.

The Financial Aid Appeals should be submitted to:

**Financial Aid Appeals Committee
Southern University at
New Orleans
Office of Administration
and Finance**

**6400 Press Drive
New Orleans, LA 70126
(504) 286-5117**

Students are allowed the following number of appeals according to the grade levels indicated below:

Undergraduate Students may be allowed up to a **maximum of four (4)** reinstatements during their undergraduate matriculation.

Graduate and Post-Baccalaureate students maybe allowed a **maximum of two (2)** reinstatements during their matriculation.

Financial aid eligibility is not reinstated by simply filing a financial aid appeal. All appeals are reviewed by the Financial Aid Appeals Committee which approves or denies reinstatement.

****GENERALLY, FINANCIAL
AID APPEALS COMMITTEE
DECISIONS ARE FINAL FOR
THE AWARD PERIOD****

Financial Aid Probation

Students who are approved for financial aid reinstatement for the fall semester will be approved on a probationary basis, through the end of the fall semester. To continue on financial aid probation for the following spring semester, students must:

1. Successfully complete a minimum of 70% of the total hours pursued for the probation semester, and
2. Achieve the required cumulative grade point average for the total hours pursued.

Financial Aid Academic Plans

Students who are approved a Financial Aid Appeal but requires longer than one semester to meet university SAP standards, will be placed on an academic plan (which will include a list of conditions the student must follow). A student's academic plan will be created based upon the student's matriculation requirement needed to graduate. Students will meet with their academic advisor to create a successful plan and it will be evaluated every semester. Students will be closely monitored to make sure he/she are matriculating to graduate according to their assigned Academic program. In the event, the student fails to meet his/her academic plan, then the student will have to meet with his/her Academic Advisor to discuss their case and further options including the possibility of submitting another Financial Aid appeal.

Financial Aid Appeal Deadlines

Generally, deadlines for filing financial aid appeals will be five working days prior to the first day of class. However, while awaiting appeal decisions, students should be prepared to pay tuition and fees by the payment deadline, and be reimbursed if the appeal is approved and if they meet all eligibility requirements. There will be no summer appeals. However, students not eligible for financial aid may attend the summer session at their own expense. Financial aid appeals are approved for subsequent semesters only and may not be applied to any semesters retroactively.

Reinstatement of Eligibility

Financial aid eligibility will be reinstated after any semester or summer session in which the student meets

the university's overall satisfactory academic progress standards. The student will be notified of his/her eligibility reinstatement by the Financial Aid Office and will not have to file an appeal. However, the student must have filed a current Free Application for Federal Student Aid (FAFSA) to be considered for federal aid. Students who have questions about their situation may contact the Office of Student Financial Aid at (504) 286-5263.

Financial Aid Appeal Denials

If a student's appeal is denied, he/she may appeal for future aid. Staying out of school for one semester will not reinstate a student's financial aid eligibility. He/she must appeal upon his/her return to the University. However, financial aid reinstatement may be considered for students who provide sufficient documentation to support a previously denied appeal, or demonstrate significant academic progress.

Repeating a Class

A student may repeat a course in order to raise a grade, thereby earning additional quality points; however, the last grade earned stands as the official grade. **Both the original grade and the repeated grade will be entered on the student's record.** The original grade is disregarded for the purpose of determining the student's grade-point average, hours passed and hours earned; **however, both the original and repeated course grades are computed in determining a student's eligibility for holding office and graduating with honors.** In the case of repeating a course, the last grade and credits made shall be used in computing the grade point average ratio.

How to calculate your SAP PACE

To calculate your PACE Ratio, please use the following calculation formula:

$$\text{SAP Ratio (\%)} = \frac{\text{Total Earned Hours}}{\text{Total Pursued Hours}} \times 100$$

For example, a student's Total Pursued Hours (ALL classes ever registered) = 24 and Total earned Hours (all classes completed with a letter grade = 12
 $(12 \div 24) \times 100 = 50\%$ I

In order for this student example to be eligible for Financial Aid, he or she must also have a cumulative GPA of a 2.00 or higher

Additional Assistance

Should assistance be made available to a student from other sources, such as scholarships, stipends, tuition waivers and/or outside agencies, those awards, when combined with all other aid received, must not exceed the student's financial need and/or cost of attendance, depending on the type of aid received. The following calculation is used to determine the student's financial need:

$$\text{Financial Need} = \text{Cost of Attendance (-) Expected Family Contribution}$$

- The University reserves the right to review, adjust, or cancel an award due to changes in enrollment status, financial status, eligibility, and other reasons.
- Default or owing a repayment of Title IV aid and failure to comply with University regulations will also constitute a reason for changing the awards.
- An over-award will be deducted from the student's award; otherwise, the student must repay the amount over-awarded.

BASIS FOR DENIAL OF FINANCIAL AID

Financial Aid may be denied for the following reasons:

1. Student reached Aggregate Limits: Pell LEU, Subsidized Limit, or Combined Loan Limit
2. Defaulting on loans;
3. Owing a repayment on any Title IV aid;
4. Falsifying information which affects the determination of eligibility for aid;
5. Failing to provide necessary verification/documentation; and
6. Failing to meet the minimum standards for satisfactory academic progress.

Any student who has been disqualified from participating in student financial aid programs because of academic reasons may re-apply for consideration of such aid as soon as that student meets the prescribed standards for eligibility or has successfully appealed his or her determination.

VERIFICATION POLICY

Verification is the process used to check the accuracy of the information that a student submits when applying for Federal Student Aid. Verification procedures are governed by the

Higher Education Act of 1965, as amended, and Subpart E of 34 CFR part 688 “Verification of Student Aid Application Information” regulations published in the Federal Register on March 14, 1986 and August 15, 1986. Each school is required by the U. S. Department of Education to verify all applicants selected by the Central Processing System (CPS), up to a limit of (30) percent of its total Financial Aid applicants for any type of Title IV student aid. The Pell Grant, Subsidized Stafford Loan, Supplemental Educational Opportunity Grant, and College Work Study are covered by verification.

The data items to be verified may include:

1. Adjusted Gross Income (AGI) for the base year;
2. U. S. Income Tax paid for the base year;
3. Household size;
4. Number of family members attending post-secondary educational institutions as at least half-time students;
5. Citizenship status; and
6. Certain untaxed income and benefits for the base year; including but not limited to:
 - A. Social Security benefits;
 - B. Veterans Administration benefits;
 - C. Child Support;
 - D. Untaxed payments to IRA and/or Keogh plans;
 - F. Foreign income exclusion;
 - G. Earned income credit;
 - H. Aid to Families with Dependent Children (AFDC) and Temporary Assistance for Needy Families (TANF)

The verification procedure is as follows:

The verifier reviews documents such as, but not limited to, the U. S. Income Tax Transcripts, (1040, 1040A, 1040EZ), the SAR or ISIR, the non-tax filer form and untaxed income and benefits statements, if applicable, to check the accuracy of information reported.

Students are asked to respond promptly to requests for information. Failure to do so will result in their files being placed on HOLD until they respond.

The student will not receive the scheduled federal financial aid awards nor will his or her student loan be verified by this office until he or she has provided the requested information.

Students may also be awarded funds through the Federal/University Work-study and SEOG programs, provided funds remain available. Summer only students (visiting students) are not eligible for financial assistance.

Student’s Rights and Responsibilities

Students applying for financial aid at SUNO have certain rights and responsibilities of which they should be aware of throughout the application and awarding process.

Rights

The student has the right to know:

1. the financial aid programs available at SUNO; the financial aid application procedure, including applicable deadlines;

2. how his or her financial aid eligibility was determined and how his or her need was met;
3. the University's refund and repayment policies; and
4. the University's standard for maintaining satisfactory academic progress and the consequences if such progress is not achieved.

All students have the right to make an appointment with their Financial Aid Counselors in the Financial Aid Office during normal working hours in order to review their files. Appointments may be scheduled by calling (504) 286-5263.

Responsibilities

The student has the following responsibilities as a recipient of financial aid at SUNO:

1. to complete and submit all required financial aid application materials accurately, by the established deadlines;
2. to promptly respond to inquiries and documentation requests from the Financial Aid Office;
3. to provide the Student Financial Aid Office with accurate information. ***(Deliberate misrepresentation of information is a violation of the law and could result in repayment of all aid received and indictment under the U.S. Criminal Code.);***
4. to notify the Student Financial Aid office if there has been a change in the family's circumstances, or if additional assistance is received from other sources to comply with agreements made in accepting aid from federal, state, and institutional programs.

5. to maintain satisfactory academic progress for financial aid;
6. to apply for financial aid every year by the published deadlines; and
7. To repay funds for which the student has been determined ineligible to receive.

Summer Assistance

During the summer term, a student may receive financial assistance (Pell Grants and Federal Direct Loans) only if the student has remaining eligibility for that academic period. The SAR on file for the previous fall and/or spring is valid for the summer. Additionally, if interested in a student loan, a separate Summer Loan Data Form is required to apply for summer loans.

Applications may be obtained from the Student Financial Aid Office. Loan proceeds for the summer are disbursed in two equal disbursements.

Federal "Return of Title IV Funds" Policy

All students who resign from the University must submit written notice of resignation to the Registrar's Office.

If a student who is disbursed Title IV financial assistance withdraws (*official withdrawal*) or stops attending class (unofficial withdraw) on or before completing 60% of the semester in which the Title IV aid was disbursed, the following Return of Title IV Funds policy will be applied. No adjustment will be made to tuition, fees, or Title IV aid for a student who withdraws **after** the 60% point of the semester.

Southern University at New Orleans implemented the Federal Return of Title IV Funds policy beginning with the Fall 2000 semester per the Higher Education Act of 1998. This policy applies to any student who receives Title IV aid, i.e., Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Direct and Stafford Loans Subsidized and Unsubsidized) and who officially withdraws, drops out, is expelled, takes an unapproved leave of absence (unofficial withdrawal), or fails to return from an approved leave of absence (unofficial withdrawal). Refer to the “Withdrawal Resignation” section of the SUNO *Catalog* for procedures for officially withdrawing from school.

The amount of Title IV funds to be returned to the applicable federal programs will be determined, using the student’s withdrawal date, by calculating the percentage of the enrollment period for which the student did not complete. Scheduled breaks of five or more consecutive days are excluded. SUNO will return the lesser of the total of unearned aid or an amount equal to institutional charges multiplied by the percentage of unearned aid. The student will be responsible for repaying any remaining portion that was disbursed to him or her.

Failure to attend class or failure to resign properly could cause the student to receive a letter grade of “F” or “XF” in all courses. In this case, the student would still be subject to the return of funds policy once an official withdrawal date is established. Merely discontinuing class attendance is **not** considered to be a formal resignation from the university.

Students who were awarded financial assistance and who discontinue class attendance may be held responsible for repayment of Title IV aid, tuition and fees. Please refer to the “Class Attendance Regulations” section of this Handbook and the SUNO *Catalog* for requirements on class attendance. If the student’s portion of unearned Title IV funds is a student loan, no action by the school is necessary. Regular loan terms and conditions apply. If the student’s portion of unearned Title IV funds is a federal grant, the student will be required to return no more than 50% of the amount received for the enrollment period.

In the event of withdrawal, the SUNO institutional refund policy will be applied. After performing the Return to Title IV calculation, the student may be liable for any Title IV funds disbursed to his or her account in excess of the amount allowed by federal regulations. The school will determine which portion of any assistance the student owes. If no payment is made, holds will be placed on the student’s account and the student may lose eligibility for Title IV aid unless the overpayment is paid in full or satisfactory repayment arrangements are made.

Unearned funds are allocated to the Title IV programs from which the student received assistance in the following order:

1. Unsubsidized Federal Direct Loans
2. Subsidized Federal Direct Loans
3. Federal Pell Grant
4. Federal Supplemental Educational Opportunity Grant (SEOG) Program
5. Other Federal, State, Private, and Institutional Aid Programs
6. Teach Grant
7. Louisiana Go Grant

Note: Refer to the “Refund of Fees” section of this handbook and the SUNO Catalog for more information.

Policies and Procedures for Student Organizations

All full-time students automatically become members of the Student Government Association (SGA) upon registration and payment of the SGA fee. All student organizations are open and accessible to all students except where specific policies of exclusion are set as an appropriate part for the functions of the organization.

Access to Membership

Membership in any student organization shall include only those with

written requirements set forth in that organization's constitution and by-laws. In addition, requirements must conform to University policies and procedures.

Intake

The term "intake" shall be defined as "the requirement that a student becomes thoroughly familiar with the stated goals, purposes, history and general information about an organization before being accepted into full membership of the organization."

Departmental Clubs

Departmental Clubs are basically local. While they do not usually require a minimum cumulative grade point average or a particular field of study, the majority of students who are affiliates are usually majors in those departments and in good academic standing.

Other Student Organizations

All other student organizations are open to any student. With the exception of the SGA President and Vice President who are required to have a 2.75 cumulative grade point average; other SGA officers and appointed SGA staff and Observer staff, and students in organizations who receive any stipends or emolument for service are required to have a minimum 2.5 cumulative grade point average. These required averages must be maintained for the duration of the appointment. Otherwise, unless stipulated, no minimum cumulative average is required.

Social Greek Fraternities and Sororities

The University requires students to have a 2.5 cumulative grade point average and 30 hours earned for membership in Greek fraternities and sororities. At least 12 hours must have been earned at SUNO.

While the University sets 2.5 minimum cumulative grade point average, it encourages organizations to set a higher minimum standard of their own. Some organizations have set a minimum cumulative average as high as 2.8 during various semesters. However, all organizations are presently requiring the University's 2.5 minimum GPA.

Social Greek organizations also require that the membership maintains an overall grade point average of 2.5 or better in order for the organization to remain active. If more than one-third of an organization's membership becomes inactive, the organization is placed on inactive status.

A student with a cumulative grade point average of 2.0 and of any classification may affiliate with service Greek organizations. Emphasis within these organizations is based primarily on service rather than academic scholarship.

Registration: Student Organization

Each student organization is required to secure an application form from the Office of Student Activities and Organizations and return it within three weeks after the first day of classes during the Fall Semester. Only registered student organizations are permitted to hold meetings and activities on the campus.

Advisor

The advisors for established student organizations are usually full-time members of the University's faculty or professional staff. Depending on the size and/or diversity of certain organizations, some groups may wish to have more than one advisor. It is permissible

to have more than one member of the faculty or professional staff working with organizations. However, only one person serves as the official advisor.

The advisor is selected by the student organization with approval from the Director of Student Activities and Organizations. In selecting advisors, students should make certain that prospective advisors have a sincere interest in the goals and objectives of their respective organization.

Advisors must approve and sign all requests for on-campus and off-campus activities to be held by the organizations.

Scheduling of Activities

The advisor and the Director of Student Activities and Organizations must approve all activities sponsored by student organizations and external Organizations before activities are held. Activities must be scheduled in accordance with University policies and procedures and must be scheduled at times and in a manner that will not disrupt the “normal” operation of the University or other activities of the University.

Code of Conduct: Activities

The sponsoring organization is responsible for the conduct of those attending its activities. Therefore, the organization can be suspended for misconduct. If security is needed for an activity, the organization must pay for security from its own funds. Thus, the cost of security should be taken into account when the budget for the activity is developed.

Use of University Facilities

The use of University facilities for co-curricular activities is a privilege and not a right. Facilities are assigned on a first-come, first-served basis with feasibility as a determining factor.

A fee may be incurred when using facilities in the evenings or on weekends. Organizations must agree to assume financial responsibility for any damage, abuse or loss of property which occurs while a facility is being used by them. Funds owed the University as a result of any such incidents must be paid within three days after the activity is held. All activities of the organizations will be automatically suspended until all financial requirements have been satisfied.

Honor Societies

Most honor societies are chapters of national organizations. The national organizations generally set a minimum requirement of a “B” (3.0) average in the MAJOR FIELD for membership.

Selling of Merchandise

Student organizations that wish to sell merchandise on the campus must request permission in writing from the Director of Student Activities and Organizations. Students are not permitted to sell merchandise on an individual basis. See the Policies and Procedures Guide that is available in the Office of Student Activities and Organizations for detailed information.

Notices and Announcements

All posting of signs, notices or advertising on campus and on SUNO’s Website must be approved prior to posting. Approval can be obtained through the Office of Student Activities and Organizations. Your student ID card must be carried at all times.

These cards are the property of the University and must be relinquished to the Office of the Vice Chancellor for Student Affairs and Enrollment Management when students withdraw from the University. Damaged or altered cards are invalid. Valid ID cards are required for admission to specific activities/events. As a result, this campus has a zero tolerance policy for sexual misconduct.

When an allegation of sexual misconduct is brought to the attention of the appropriate Campus Representative, and a respondent is found to have violated this policy, serious sanctions will be used to reasonably ensure that such actions cease and are never repeated. In addition, SUNO's response will provide individuals who bring forth complaints with reasonable remedies that will insure full participation in their educational and/or employment activities. Nothing in this policy shall abridge academic freedom or SUNO's educational mission.

GENDER BASED SEXUAL MISCONDUCT

Introduction

Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681 *et seq.*, and its implementing regulations, 34 C.F.R. Part 106, prohibit discrimination on the basis of sex in education programs or activities

operated by recipients of federal financial assistance. Sexual harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. These behaviors are clear impediments to creating an educational atmosphere which is free from discrimination. As a result, an institution receiving federal funds must promulgate strategies and policies which demonstrate its ability to uphold the law and comply with applicable regulations.

When the Complainant or Respondent is a student, the violation falls under the provisions of Title IX. This Southern University at New Orleans (SUNO) campus policy utilizes the term "gender-based sexual misconduct" to encompass all behaviors that involve gender-based violations of an individual's rights specifically manifested by sexual behavior and actions. Accordingly, this term is inclusive of conduct considered to constitute sexual harassment, non-consensual sexual contact or intercourse (of which sexual violence would be included), sexual exploitation, stalking, intimate partner violence, and other forms of inappropriate behavior that are linked with the sex/gender of the Complainant and/or Respondent. Behaviors, when deemed to have occurred, deprives an individual of his or her rights, and/or access to an education or employment which constitutes a violation of this policy.

Sexual Exploitation (Louisiana Board of Regents definition) An act attempted or committed by a person for sexual gratification, financial gain, or other advancement through the abuse or exploitation of another person's sexuality. Examples of sexual exploitation include, but are not limited to, non-consensual observation of individuals who are undressed or engaging in sexual acts, non-consensual audio or videotaping of sexual activity, prostituting another person, allowing others to observe a personal consensual sexual act without the knowledge or consent of all involved parties, and knowingly exposing an individual to a sexually transmitted infection without that individual's knowledge.

Sexual Oriented Criminal Offense: Any sexual assault offense as defined in La. R.S. 44:51 and any sexual abuse offense as defined in R.S. 14:403.

Stalking: Behavior where a person follows, places under surveillance, or contacts, another person without the consent of the other person for the purpose of harassing and intimidating the other person. The term contact means to make or attempt to make any communication, including, but not limited to, communication in person, by telephone, by mail, by broadcast, by computer or computer network, or by any other electronic device.

Harassing and intimidating refers to communication directed at a person that causes emotional distress because of a reasonable fear for the person's safety or safety of others, and which serves no legitimate purpose. It does not require that an threat of death or bodily injury be made.

Louisiana State Law definition:

Stalking is the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person's home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping, or any other statutory criminal act to himself or any member of his family or any person with whom he is acquainted. La. RS § 14:40.2(A) "Harassing" means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party, or sending letters or pictures. "Pattern of conduct" means a series of acts over a period of time, however short, evidencing intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct. La. RS § 14:40.2©.

Coercion (Louisiana Board of Regents definition): The use of express or implied threats, intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to consent prior to engaging in sexual activity.

Consent: Consent must be clear, unambiguous, and a voluntary agreement between participants to engage in specific sexual activity. Consent is active, not passive, and is given by a clear and sober "YES". Consent shall also be defined as follows:

Louisiana Board of Regents definition: Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate Consent. Consent must be knowing and voluntary. To give Consent, a person must be of legal age. Assent does not constitute Consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is incapacitated.

The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain Consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of Consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving Consent. A current or previous consensual dating or sexual relationship between the persons involved does not itself imply Consent or preclude a finding of responsibility.

Cyberstalking: Cyberstalking occurs when an individual intentionally uses electronic mail or electronic communication of any words or language threatening to inflict bodily harm to any person or their property or to repeatedly attempt to converse with an individual for the purpose of threatening, terrifying or harassing them. Hazing and stalking often are used to encompass cyberstalking activities. The severity of the act and state law dictate what is criminal.

Examples include: flaming, harassment, hazing or stalking. The difference should be assessed through the: 1) kind of threat; 2) frequency of threat; 3) source and nature of threats.

Generally speaking, stalking and bullying tend to be on-going behavior. Hazing is often done once or twice during orientations or initiations, but may be more acute. (La RS 14:40.3)

Dating Violence

(Louisiana State Law definition):

"Dating violence" includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one dating partner against the other. La. RS § 46.2151(C) For purposes of this Section, "dating partner" means any person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship,
- The type of relationship, and
- The frequency of interaction between the persons involved in the relationship

Domestic Abuse (Louisiana State Law definition): Includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one family or household member against another. LA. RS 46:2132(3)

Family Violence (Louisiana State Law definition): means any assault, battery, or other physical abuse which occurs between family or household members, who reside together or who resided together. La. RS § 46.2121.1 (2).

Force: The use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcomes resistance or produces consent. There is no requirement that a person has to resist the sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force is not demonstrated by the absence of resistance. Sexual activity that is forced is by definition non-consensual, but non-consensual sexual activity is not by definition forced.

Gender-Based Harassment: Acts of verbal, nonverbal, or physical aggression, intimidation, stalking, or hostility based on gender or gender-stereotyping constitute gender-based harassment. Gender-based harassment can occur if students are harassed either for exhibiting what is perceived as a stereotypical characteristic for their sex, or for failing to conform to stereotypical notions of masculinity or femininity. In order to constitute harassment, the conduct must be such that it has the effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile, demeaning, or offensive academic or living environment.

Gender Discrimination: Unequal or disadvantageous treatment of an individual or group of individuals based on gender. Sexual harassment is a form of illegal gender discrimination.

Incapacitation (Louisiana Board of Regents definition): An individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to incapacitation; however, someone who is drunk or intoxicated is not necessarily incapacitated, as Incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

Intimate Partner Violence (IPV): Physical, sexual, or psychological harm by a current or former partner or spouse. This type of violence can occur in heterosexual or same-sex relationships, whether cohabitating or not, and does not require sexual intimacy. IPV can vary in frequency and severity, can occur on a continuum, and can include acts of physical violence, sexual violence, threats of physical or sexual violence, or psychological or emotional violence. Psychological or emotional violence is a broad term that results in trauma to a victim caused by acts, threats of acts, or coercive tactics, and can include acts of humiliation, intimidation, isolation, stalking, and harassment.

Rape: Is forced sexual intercourse that is perpetrated against the will of the complainant or when he/she is unable to or incapable of giving consent (i.e. unconscious, asleep or under the influence alcohol or drugs) and may involve physical violence, coercion, or the threat of

harm to the Complainant. Rape is complete at the point of penetration no matter how slight that penetration.

Retaliation (Louisiana Board of Regents definition): Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this policy, or as retribution or revenge against anyone who has reported sexual misconduct or relationship violence or who has participated (or is expected to participate) in any manner in an investigation, or proceeding under this policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. Title IX prohibits Retaliation. For purposes of this Sexual Assault: Is engaging, or attempting to engage an individual in one or more of the following sexual actions with or directed against another person:

- Sexual penetration without the consent of the other person;
- Sexually explicit touching through the use of coercion or where the person is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity; and/or
- Sexual penetration through the use of coercion or where the person is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity.

Sexual Contact: The deliberate touching of a person's intimate parts (including genitalia, groin, breast or buttocks, or clothing covering any of those areas), or using force to cause a person to touch his or her own or another person's intimate parts.

Sexual Intercourse: Means penetration (anal, oral or vaginal) by a penis, tongue, finger, or an inanimate object.

Sexual Misconduct: A sexual act or contact of a sexual nature that occurs, regardless of personal relationship, without the consent of the other person(s), or that occurs when the person(s) is unable to give consent or whose consent is coerced or obtained in a fraudulent manner. As defined by the Louisiana Board of Regents, Sexual Misconduct includes, but is not limited to, sexual assault, sexual abuse, violence of a sexual nature, sexual harassment, non-consensual sexual intercourse, sexual exploitation, video voyeurism, contact of a sexual nature with an object, or the obtaining, posting or disclosure of intimate descriptions, photos, or videos without the express consent of the persons depicted therein, as well as dating violence, domestic violence and stalking. Some examples of misconduct include:

- Pressure for a date or a romantic or intimate relationship;
- Unwelcome touching, kissing, hugging, or massaging;
- Pressure for or forced sexual activity;
- Unnecessary and unwelcome references to various parts of the body;
- Belittling remarks about a person's gender or belittling remarks about a person's sexual orientation based in gender-stereotyping; Inappropriate sexual innuendos or humor;
- Videotaping and photographing someone or people without consent;
- Obscene gestures of a sexual or gender-based nature;
- Offensive sexual graffiti, pictures, or posters;
- Sexually explicit profanity; and/or

- Use of e-mail, the Internet, or other forms of digital media to facilitate any of the above referenced behaviors. Other examples of sexual misconduct may include the following:

- **Sexual Harassment** (Louisiana Board of Regents definition) Unwelcome conduct of a sexual nature when 1) submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or education; 2) submission to or rejection of such conduct by a person is used as the basis for a decision affecting that person's employment or education; or 3) such conduct has the purpose or effect of unreasonably interfering with a person's employment or education, or creating an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to the subject matter of a course or academic research. Sexual Harassment also includes non-sexual harassment or discrimination of a person because of the person's sex and/or gender, including harassment based on the person's nonconformity with gender stereotypes.
- **Non-Consensual Sexual Contact** [or attempts to commit same] Any intentional sexual touching, however slight, with any object by a man or woman upon a man or woman that is without consent and/or by force.

- **Sexual contact** includes intentional contact with the breast, buttocks, groin or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with or by breast, buttocks, groin, genitals, mouth or other orifice.
- **Non-Consensual Sexual Contact** [or attempts to commit same] Any intentional sexual touching, however slight, with any object by a man or woman upon a man or woman that is without consent and/or by force. Sexual contact includes intentional contact with the breast, buttocks, groin or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with or by breast, buttocks, groin, genitals, mouth or other orifice.

Sexual Oriented Criminal Offense: Any sexual assault offense as defined in LA. R.S. 44:51 and any sexual abuse offense as defined in R.S. 14:403. Standard of Proof: The Department of Education's Office of Civil Rights has interpreted Title IX to require institutions to evaluate evidence of alleged sexual misconduct under a "preponderance of the evidence" standard and that is the standard adopted by this policy. A preponderance of the evidence means that the information shows that it is "more likely than not" that the respondent violated this policy. In the context of a judicial hearing hereunder, the respondent will be found to be responsible for the alleged sexual misconduct if it concludes, by a unanimous vote, that such sexual misconduct more likely than not occurred based upon careful review of all information presented.

Stalking: Behavior where a person follows, places under surveillance, or contacts, another person without the consent of the other person for the purpose of harassing and intimidating the other person. The term "contact" means to make or attempt to make any communication, including, but not limited to, communication in person, by

telephone, by mail, by broadcast, by computer or computer network, or by any other electronic device.

“Harassing and intimidating” refers to communication directed at a person that causes emotional distress because of a reasonable fear for the person’s safety or safety of others, and which serves no legitimate purpose. It does not require that an overt threat of death or bodily injury be made. Other definitions of stalking include:

- **Clery Act definition: requires colleges and universities that receive federal funding to disseminate a public annual security report (ASR) to employees and students every October 1st. This ASR must include statistics of campus crime for the preceding 3 calendar years, plus details about efforts taken to improve campus safety. ASR’s must also include policy statements regarding , but not limited to, crime reporting, campus facility security and access, law enforcement authority, incidence of alcohol and drug use, and the prevention of/response to sexual assault, domestic or dating violence and stalking. (20 USC § 1092(f))**

- **Louisiana State Law definition:** Stalking is the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person's home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied

LA. RS § 14:40.2(A) "Harassing" means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party, or ending letters or pictures. "Pattern of conduct" means a series of acts over a period of time, however short, evidencing intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct. La. RS § 14:40.2©

Sexual Exploitation (Louisiana Board of Regents definition):

An act attempted or committed by a person for sexual gratification, financial gain, or other advancement through the abuse or exploitation of another person’s sexuality.

Examples of sexual exploitation include, but are not limited to, non-consensual observation of individuals who are undressed or engaging in sexual acts, non-consensual audio or videotaping of sexual activity, prostituting another person, allowing others to observe a personal consensual sexual act without the knowledge or consent of all involved parties, and knowingly exposing an individual to a sexually transmitted infection without that individual’s knowledge.

CARES introduces the Freshman Male Initiative

On September 26, 2018, Southern University at New Orleans' Center for Academic Retention and Educational Success (CARES) and the Epsilon Upsilon Chapter of Alpha Phi Alpha Fraternity Incorporated partnered to kick off its first academic tutoring effort for the Freshmen Male Initiative (FMI). The initiative is one of SUNO's early alert programs geared to increase the retention of freshman males.

CARES, a newly developed Title III federally funded program, is designed to increase the retention of at-risk students at SUNO. The mission of CARES is to academically prepare students to be successful collegiate peers while increasing the University's student retention and degree completion rates.

"Our retention efforts are aligned with professional literature and best practices, designed to enhance critical-thinking skills among freshmen, and developed to ensure higher achievement rates in first and second year students," said Anthony S. Ray Jr., executive director of CARES. "Each month, FMI is responsible for conducting an academic and social program to increase academic retention and campus engagement."

Adjudication [Judicial] System

INTRODUCTION

The primary purpose of Southern University at New Orleans Judicial System is to help govern the University community by regulating student conduct and by enforcing the Student Code of Conduct, consistent with the principles of due process of law applicable to state universities.

The Division for Student Affairs and Enrollment Management and the Office of Student Activities and Organizations have administrative responsibility for the Judicial System. The system consists of an Executive Judicial Panel, a Judicial Hearing Committee, a Judicial Appeals Committee, and Student Grievance Board (academic and non-academic).

Administrative Hearings

Cases that arise under the conduct violations may be handled administratively through the Office of the Director of Student Activities and Organizations. The Director of Student Activities and Organizations shall serve as the Chief Judicial Administrative Officer or a designee appointed by the Vice Chancellor of Student Affairs and Enrollment Management. In such cases, students shall be informed in writing within 48 hours from the filing of the complaint that a complaint has arisen that he or she has allegedly violated the University Student Code of Conduct. Students shall be made aware, in writing, of the University Judicial process and the option to have a hearing before the Executive Judicial Panel or the Judicial Hearing Committee. The University must inform the student of an action being brought against him or her in writing within a 48 hour time delay excluding weekends and holidays. If the University fails to inform the student within the time frame of 48 hours, the case may be dismissed subject to case type. Students shall have 72 hours to respond to

the initial complaint. Students may waive their right to appear before the Executive Judicial Panel or Judicial Hearing Committee and opt for an Administrative Hearing. The Administrative Hearing decision shall be at the sole discretion of the Director of Student Activities and Organizations or a designee appointed by the Vice Chancellor of Student Affairs and Enrollment Management. This does not bar the student's right to appeal through the Judicial Hearing Committee. A student committing several related offenses at one time will have one hearing only.

STUDENTS THAT FAIL TO RESPOND TO THE INITIAL COMPLAINT WITHIN 72 HOURS OF RECEIPT, WAIVE THEIR RIGHT TO A HEARING AND APPEAL. THE DIRECTOR OF STUDENT ACTIVITIES AND ORGANIZATIONS SHALL MAKE A RECOMMENDATION TO THE VICE CHANCELLOR OF STUDENT AFFAIRS AND ENROLLMENT MANAGEMENT FOR FINAL DISPOSITION.

COMPOSITION AND JURISDICTION OF JUDICIARIES

Executive Judicial Panel – The Executive Judicial Panel will consist of five (5) members: the Director of Student Activities and Organizations, three (3) faculty/staff members and one (1) student. A quorum shall consist of any three members.

The Executive Judicial Panel will be charged with the responsibility of adjudicating cases involving intentional bodily harm, substance use and abuse, possession or use of weapons, and all cases of hazing.

Judicial Hearing Committee – The Judicial Hearing Committee shall be composed of nine (9) members who represent administrators,

faculty, staff, students, and civil service employees. The chair of this committee and members are appointed the Vice Chancellor for Student Affairs and Enrollment Management. A quorum shall consist of five (5) members. The Judicial Hearing Committee studies and recommends to the administration policies relating to student conduct. It serves as a hearing board for individual or group disciplinary cases which are introduced to it for an initial disciplinary action.

STUDENTS SHALL BE NOTIFIED IN WRITING WITHIN 24 HOURS OF THE HEARING DECISION. STUDENTS SHALL ALSO BE GIVEN NOTICE OF THEIR RIGHT TO APPEAL WITH 48 HOURS OF THE DECISION.

Judicial Appeals Committee-

The Judicial Appeals Committee is composed of five (5) members representing students, faculty, staff and administration who are appointed by the Vice Chancellor for Student Affairs and Enrollment Management. One member shall be designated as chairperson and shall have a vote on all appeals. A quorum shall consist of any three members.

The Judicial Appeals Committee hears appeals of students as a result of decisions from the Executive Judicial Panel or Judicial Hearing Committee and has the authority to uphold, reverse, or modify the decision of these two judicial bodies. The sanction (s) levied by the Judicial Appeals Committee cannot be greater than the sanction (s) imposed by the Executive Judicial Panel or the Judicial Hearing Committee. In cases of an appeal related to suspension or expulsion, the Vice Chancellor for Student Affairs and Enrollment Management is the only authorized administrator to uphold, reverse, or modify the decision.

Therefore, the Judicial Appeals committee will make a recommendation to the Vice Chancellor for Student Affairs and Enrollment Management.

STUDENTS SHALL BE NOTIFIED IN WRITING WITHIN 72 HOURS OF FINAL DISPOSITION.

Academic Grievance

Refer to the Vice Chancellor for Academic Affairs.

Student Grievance Board –

The Student Grievance Board is composed of nine (9) members who represent administrators, faculty, staff and students. All members, including the Chair are appointed by the Chancellor or his designee. A quorum shall consist of five (5) members. The Student Grievance Board serves as mediator and reviews academic and non-academic student grievances, with the exception of disciplinary matters.

In reviewing student grievances, the Student Grievance Board attempts to resolve disputes through a process of conciliation of the parties involved rather than through a process of assertion of legal rights.

Non-Academic Grievance

In the case of a non-academic (employment) grievance, the Board will be guided in its deliberations by the appropriate personnel policies and regulations governing the office involved.

A non-academic employment) grievance involves a complaint by a student against a University employee relative to the employee's behavior or job performance. Following the Board hearing, the Board submits its recommendation to all appropriate parties. Any further resolution of a non-academic grievance is made by the Vice Chancellor or administrative officer responsible and accountable for the employing unit.

Judicial Appeals Committee members shall not be persons who served on the original hearing board.

The Appeals Committee shall, by majority vote, grant a hearing, or deny the appeal. If the hearing is granted, the appeal may be (1) denied, upholding the sanction, (2) granted and a new hearing ordered, or (3) granted and the sanction changed.

The Appeals Committee is limited to ordering a new hearing to the extent that, in their judgment, a defect in the original hearing is found which was sufficiently substantial to have changed the outcome in a significant manner.

The Director of Student Activities and Organizations determines whether the appeal shall be forwarded to the Judicial Appeals Committee based on sufficient reason (s) indicated in the written petition. Sufficient reason(s) shall be new evidence, discrepancies in the judicial procedures, and/or

inappropriate sanction or unfairness.

The student shall be notified in writing within 72 hours excluding weekends as to the determination of the appeal request.

Appeal Procedures

If an appeal is granted by the Judicial Appeals Committee, the procedures shall be as follows:

4. The student (s)/student organization may present all reasonable new evidence or arguments to show the merits of the appeal, but such evidence shall not be considered as requiring a new judicial hearing unless it shows that the members of the Judicial Hearing Committee were unreasonable in their judgment as to procedural fairness or sanctions (s) imposed. In this event, the Judicial Appeals Committee can grant a new hearing.

5. The Chairperson of the Judicial Appeals Committee shall determine the procedures of the appeal hearing and conduct its orderly operation and request the chairperson of the Judicial hearing Committee to provide all pertinent information.
6. The Judicial Appeals Committee shall make its recommendations known to the Director of Student Activities and Organizations.
7. The Director of Student Activities and Organizations notifies the student (s)/organization of the decision of the Judicial Appeals Committee within three days.

An additional appeal may be transmitted through the Vice Chancellor for Student Affairs to the Chancellor, then to the President of the Southern University System, to the Southern University Board of Supervisors for further consideration.
