

Campus Announcement

Fund supports training programs for researchers

Eligibility: Degree-granting institutions in the United States and Canada

Deadline: May 15, 2008.

Funds: \$2.5 million for entire program.

Contact: Jean Kramarick, BWF, 21 T.W. Alexander Drive, Research Triangle Park, NC 27709; (919) 991-5122; fax (919) 991-5160; jkramarick@bwfund.org.

The Burroughs Welcome Fund is an independent foundation that is dedicated to advancing the medical sciences. It does this by supporting research, scientific, and educational activities. Through this grant program, the Fund supports degree-granting institutions in the United States and Canada. It provides them with \$500,000 to support training programs for researchers. The programs will train grad students, and they also may train medical students, medical residents, and master's students. The goal of the Burroughs Welcome Fund is to form new connections between existing concentrations of research in relation to biological sciences. The deadline to apply is May 15, 2008. If you have any questions, send an email to jkramarick@bwfund.org.
