SOUTHERN UNIV AT NEW ORLEANS
NEW ORLEANS, LA
ACT Code: 1611

Annual summary of ACT data supporting strategic enrollment management, recruitment and marketing efforts.

2019-2020 Summary

Total Scores Received	2,851
Total Enrolled	183
Enrolled Yield	6%
Avg Enrollment Composite	16.3

This report provides a comprehensive description of your institution's ACT-tested first-year students. Beginning July 2019, the EOS and ACT Score Reporting services will be available in Encoura Data Lab, higher ed's most sophisticated technology for student search and making real-time yield management decisions. To learn more about Encoura Data Lab and access resources for interpreting this report, please visit <https://encoura.org/act-test-resources>. Enrolled counts shown in this report are limited to those students identified by institution-supplied data as enrolled full time. It is assumed that enrolled students for whom a full-time status was not provided were full-time.

Scores - Score data provided to campuses for students who officially send institution test results. Includes self-reported information collected during registration process.

Encoura - Data available through ACT Educational Opportunity Service, and accessible through Encoura Data Lab, helps institutions identify prospective students and increase applications and enrollment from specified groups.

Section I

Recruitment / Admissions

Data summarized in Section I (Recruitment/Admissions) is self-reported by students and captured during the ACT test registration process. Data reflects the information provided by the student on their latest test taken. To find more information or to more fully understand how these data are captured (questions asked, etc.), consider file delivery options. To review a technical guide to interpreting the data file please visit <https://encoura.org/act-test-resources>. ACT recommends that all institutions capture, store and integrate these ACT data from score-sending test takers into admissions and recruitment operations.

Section II

Academic / Student Support Services

Data summarized in Section II (Academic/Student Support Services) is self-reported by students and captured during the ACT test registration process. Data in this section offers insight into factors which, in addition to recruitment insights, have potential to impact academic or student support efforts. To find out more information on these and other data within this report, visit <https://encoura.org/act-test-resources>. There is great value to students and institutions when these data are integrated - beyond recruitment - into intervention and advising initiatives.

Section III

ACT Test Score Distributions / Course Sequence

Data summarized in Section II (ACT Test Score Distributions/Course Sequence) reflects self-reported data on high school course work as well as provides an analysis of student test performance relative to ACT college readiness benchmarks. Students who meet ACT college readiness benchmarks have a 75 percent chance of achieving C or better or 50 percent chance of B or better in corresponding college coursework. ACT readiness benchmarks are fully explained at www.act.org/content/act/en/college-and-career-readiness/benchmarks.html.
