SOUTHERN UNIVERSITY AT NEW ORLEANS

Due to the COVID-19 pandemic, a situation that is far beyond our control, we were unable to hold our annual Honors and Awards Day Program. This event as many of you already know is always well attended – with the University Gym filled to capacity with students, family, friends, faculty and staff.

However, and in spite of it all, it is with much pride and great joy that we present to you the Outstanding Undergraduate Students of Southern University at New Orleans who excelled with superiority in both scholarship and service in the 2020 school year.

Dean's List Honorees

Students who were enrolled full-time during the Spring and/or Fall semesters of 2020 and earned between a 3.75-4.00 average during that semester. These students represent our very best, smartest and brightest and are at the tiptop of our grading system line. We are extremely proud of all of them.

Honor Roll Honorees

Students who were enrolled full-time during the Spring and/or Fall semesters of 2019 and earned between a 3.00-3.74 average during that semester. These are our students who represent our better than average students whom we are also truly proud of.
