Southern University at New Orleans
STEAM (STEM Through Advanced Manufacturing)
Funded by the National Nuclear Security Administration

Application Form

Southern University at New Orleans (SUNO) will host a four-week STEAM Summer Camp for local high school students (entering 10 through 12 for this Fall, 2021). The Camp is intended to increase interest in STEM by exposing the students to different scientific topics. This camp is funded by the Department of Energy, National Nuclear Security Administration.

STEAM Summer Camp will run from Monday, June 21 -- Friday, July 16, 2021 on SUNO’s campus from 9:00 am to 1:30 pm daily. Student activities will be fully online (internet). Students will be engaged in ACT Prep, CAD Designing, 3D Printing, Robotics and Science activities. There will be a half hour lunch break from 11:45 am – 12:15 pm.

Students will receive a stipend for full participation; specifically, punctuality and all rules and regulations to ensure accommodation, proper supervision, safety and security to protect minors online. Students and their parents will need to sign contract and certification forms on the first day of the ONLINE STEAM SUMMER CAMP.

Deadline for STEAM Summer Camp application is Friday, June 04, 2021. Please email your application with transcript to sbat0324@my.suno.edu (or rbelmasrour@suno.edu) and you may also fax (504) 284-5475. All applications must be received earlier or by the deadline of Friday, June 04, 2021.

ADDITIONAL INFORMATION
All students participating in the STEAM Summer Camp are minors. As such all participating students for this Summer Camp are subject to strict online use supervision including primary responsibility of parents/guardians. Students will be subject to monitoring to enhance safety and security. Disability accommodations are provided dependent on the scope of the summer camp work/activities.
