

CAMPUS CRIME STATISTICS

"Reported crimes" are allegations of crimes reported in good faith to CSAs. These crimes do not have to be investigated or adjudicated in order to count as a reported crime statistic in the ASFSR. Reported crimes may involve individuals not associated or affiliated with Southern University at New Orleans. Reported Crimes may include information received from an anonymous reporting source. Residential Facility crime statistics are a subset of the On Campus category, i.e. they are counted in both categories.

Hate Crime Statistics	
Spring AY21-22	There were no hate crimes reported to SUNOPD, any SUNO CSA, or any law enforcement partners.

Unfounded Crimes	
Spring AY21-22	There were no hate crimes reported that after investigation were determined to be unfounded.

Note: The University made a reasonable and good faith effort to request and retrieve statistics from all local law enforcement agencies with jurisdiction over the University's identified Clery geography. Reportable Clery crime data received from agencies who responded to these requests are included in Table One crime statistics noted above. Not all of these agencies responded to these requests for crime statistics.
