A Knight with the Chancellor

By all accounts the night with the chancellor was a night to remember. This year marked the third Knight with the Chancellor event which was founded to raise scholarship funds. With great skill and flare, Ms. Monique Holmes and her team transformed the SUNO gym into an elegant venue. Community Activist and former SUNO Professor, the Keynote Speaker, Sylvia Scineaux-Richard not only gave an inspiring speech, but she and her husband also made a \$5,000 donation to SUNO.

The dinner was delicious and the entertainment provided by the Soul Heirs Band, Ed'Dijah Bridges and Michael Slater set the tone for an enjoyable evening throughout the event.
